If your bookseller has a copy, they're more than welcome to lend you a . Aug 14, 2014. Shogun Clavell is a great read for everyone! . Visit us to read and download for free! .Blog Menu Why The Therapeutic Bible Approach Is The Best For African Americans African Americans are a highly diverse group of people. From the heart of Atlanta to New York City and everywhere in between, they live on all five corners of the earth. As a result, their treatment experiences vary widely from place to place. However, there are a few things about the treatment of African Americans that we can all agree upon and call out as deeply rooted behaviors of our society. Don't "Bust Your Head" On the surface, the American mentality would suggest that a hit on the head is completely proportional to crime. However, when it comes to African Americans, there is a certain implied message that the victim needs to "get back in line" or else the

situation will escalate. It may feel wrong to step in at times, but is this really true? Think of an African American person being stopped at a roadblock. The reality is that for many black people, they are in a situation they don't want to be in – and they don't have the agency to choose how to get out of it. Consider, for a moment, you are pulled over. You're a person with color, which for all we know, makes you prone to harmful stereotypes. You have made a mistake, but the officer of the law doesn't take it kindly. He gives you a hard time, asks you a ton of questions, and for whatever reason, ends the conversation with you feeling rushed and at a moment's notice. If you were to speak your mind about the experience, wouldn't you rather be free of that moment's encounter? Aren't you at least entitled to be treated as an individual? If you didn't speak up, would it send the message that it' 3e33713323
