Overwatch is an action strategy game with RPG elements that take place in a futuristic setting. Your mission is to fend off the Horde, who are trying to destroy and enslave your people. As you rise through the ranks, you'll earn powerful abilities and take on new roles to help your people survive. And you'll help build structures, invent improvements, and craft powerful equipment for your team in the process! Fallen Enchantress HD - Steam - ----- Music by EpidemicSound and APM Music.
